About Interra

Interra Resources Limited, a Singapore-incorporated company listed on the SGX Mainboard, is engaged in the business of petroleum exploration and production (E&P). Our E&P activities include petroleum production, field development and exploration.

We are venturing into renewable energy and collaborating with our Indonesian joint venture partner to install floating solar farms in Indonesia. We also hold the rights to convert certain loans into a 40% equity interest in 3 silica sand concessions in Indonesia with an option to increase our stake to 51% for one of the 3 concessions. We are also included by PT PLN Nusantara Power in their Long List for Strategic Partner for partnership in developing power plant projects in Indonesia.

The Company holds a stake of 12.24% in Morella Corporation Limited, an ASX-listed exploration and resource development company focused on advancing a portfolio of critical minerals across Tier 1 jurisdictions in Australia and the United States of America.
